

## **Brazos Electric Cooperative Names Mark Dombroski Chief Financial Officer**

**Waco, Texas** – Brazos Electric Power Cooperative, Inc., has selected Mark Dombroski as the cooperative’s Chief Financial Officer and Vice President of Corporate Services. Dombroski will provide executive leadership and oversight of Brazos Electric’s accounting, finance and treasury services, corporate-wide supply chain (including inventory management and warehouse locations), and facility management activities.

“Brazos Electric, and the electric utility industry in Texas, are at an interesting inflection point with growth, reliability, and affordability creating tension on three fronts,” said Brazos Electric CEO and General Manager Mark Fagan. “Dombroski will serve a critical role in helping Brazos Electric stay laser focused on providing safe, reliable, and cost-effective service to our member-owners and customers.”

Dombroski is a senior utility executive with more than 25 years of leadership across public power, utilities, and financial advisory organizations. He most recently served as Assistant General Manager and Chief Operating Officer at the Brownsville Public Utilities Board, where he oversaw utility operations, major capital programs, and strategic planning.

Prior to that, he was Deputy General Manager and Chief Financial and Administrative Officer at Austin Energy, where he led Corporate Services and served on an interim basis as Chief Operating Officer and General Manager.

Dombroski, who served as an officer in the United States Marine Corps, holds degrees in economics and political economy from the University of Texas at Dallas, and he also holds a Master of Public Administration in public finance.

“I am honored to join Brazos Electric and build on the cooperative’s strong track record of success,” said Dombroski. “It’s a privilege to work alongside such a talented team, and I look forward to strengthening financial discipline, supporting strategic investments, and continuing to deliver reliable and affordable service to our members.”

### About Brazos Electric Cooperative

Brazos Electric is a not-for-profit cooperative which provides wholesale transmission and distribution service to 16 member-owner distribution cooperatives in Texas. Those
